5. Status Report on the Due Diligence Review (DDR) Phase II of the Non-Housing Funds. (12-5562)

Michael Antwine, Deputy Director, provided a status report on the DDR Phase II, for the Non-Housing Funds. Mr. Antwine informed that Eadie & Payne was acquired to perform the services, however noted that the Draft DDR was not available for distribution as initially intended. He explained that Holiday office closures along with prior obligations of the firm, was a factor in not having the Draft DDR available by the December 5, 2012 meeting. Mr. Antwine requested that the Board hold an Oversight Board meeting on December 13, 2012.

Board Member Curry stated he was not available on either day and also expressed his concern to staff, regarding their excessive need for scheduling special meetings. Board Member Williams, Vice Chair Harris, and Chair Sanchez also stated that they were not available on the suggested date.

Mr. Antwine further informed that the Draft DDR is expected to be ready by Friday, December 7, 2012, and therefore expected to be submitted to the Board for their review, to meet the December 15, 2012 deadline. Mr. Antwine also informed that in speaking with the Successor Agency Legal Counsel, it was revealed that a public comment session did not need to take place at the time of submitting the Draft DDR to the Board. Mr. Antwine stated that the report can be submitted via email by December 15, 2012 for the Boards review, and that the Board can then hold both the public comment session meeting and DDR approval meeting in January, ensuring to meet the January 15, 2013 deadline.

Both Chair Sanchez and Board Member Curry stated they were fine with receiving the Draft DDR via email. The Board concurred to hold the next meeting on their regularly scheduled day of Wednesday, December 19, 2012 and discussed that a Special meeting would need to take place sometime in early January 2013.

Chair Sanchez questioned whether Eadie & Payne had also performed the DDR report for the Phase I Housing funds as well and also asked if there were two separate contracts for both DDR reports. Mr. Antwine responded yes, that Eadie & Payne also performed the review for the first DDR, but stated that only one contract which includes both services, was prepared.

Board Member Curry requested for a copy of the contract. Mr. Antwine stated he would ensure a copy of the contract is distributed to the Board Members.

By Common Consent, there being no objection (Board Member Escandón being absent), the Oversight Board received and filed the report.

Board Member Williams requested that the email received from the Los Angeles County, providing information over the two positions he holds, as an Oversight Board Member and his recent appointment as an Interim Public Works Director for the City of Compton, be read aloud once again for those members of the public who came in late. Michael Antwine read the email aloud for members of the public, and indicated that the document would be made a public record.

Board Member Curry questioned whether staff has a formal follow up process for requests that are made by members of the public. Michael Antwine responded that though the public may request certain items, the Successor Agency staff will only carry out their requests at the direction of the Board. Dr. Kofi Sefa-Boakye added that in addition, the public can at any time, go to the Successor Agency's office to request for documentation and the information will be provided.
